Subject: Letter of Permission for Removal of Derelict Vessels in Anderson Cove,
Kitsap County

Dear Janet:

Per our conversation and site visit of January 9, 2002, the Department of Natural Resources (DNR) has no objections to the City of Bremerton's proposal to remove three abandoned vessels. These vessels are located in the bedlands of Anderson Cove, Kitsap County, abutting parcel number 374-10-00-022-0101.

In order to grant this permission, the DNR will require that the City of Bremerton supply the DNR with proof of insurance from the contractor conducting the work. We will also require copies of all necessary permits from other regulatory agencies.

Finally, the City of Bremerton will not hold the DNR liable for any costs that may occur from the result of the removal of said vessels.

Please acknowledge your agreement to the above by signing this letter where provided and returning it before work commences.
